**IMPORTANT MESSAGES:**

CALL US IMMEDIATELY IF YOU SMELL GAS

If you suspect a natural gas leak, take these precautions: SMELL for a rotten egg odor or other pungent scent. LISTEN for an unusual hissing, roaring or blowing sound near pipelines or appliances. LOOK for blowing dirt, a bubbling creek or pond, dry spots in moist areas or dead vegetation. LEAVE the area immediately. DO NOT smoke, use a phone or cell phone, turn on or off any lights or appliances or operate any vehicle or equipment that could cause sparks. If you suspect a gas leak, don't wait! Leave the area immediately, and call our emergency number at 1-866-322-8667 or call 911.

**BEWARE OF CARBON MONOXIDE**

Carbon monoxide (CO) is a potentially deadly gas produced by improperly working appliances. Have your heating equipment checked regularly for safety and efficiency. Also, install approved CO detectors in sleeping areas.
